

THE ISRAEL SECURITY SUPPLEMENTAL APPROPRIATIONS ACT

The Israel Security Supplemental Appropriations Act provides \$17.6 billion in emergency supplemental appropriations to provide military assistance to our great ally Israel and to fund costs incurred by the U.S. military for support in the region.

TOP LINE MESSAGING

- On October 7th, Hamas carried out an unprovoked terrorist attack on the people of Israel. In the following days, Hamas took over 240 hostages. Their attack has resulted in thousands injured or killed.
- **The House strongly condemned the actions of Hamas by passing H.Res. 771 and will continue to stand with our great ally Israel, especially in the midst of unprovoked terrorist attacks.**
- Funding is needed to support Israel's right to defend itself in the face of growing threats from enemies such as Iran.
- Funds are also needed for U.S. military operations in response to the attacks and to protect U.S. military personnel who are executing counter-extremist missions in the region from drone and rocket attacks by Iranian-backed proxies.

DETAILED FUNDING SUMMARY

Military and Security Assistance

- Reinforces Israeli defense systems by providing:
 - **\$4 billion** to replenish Iron Dome and David's Sling missile defense systems;
 - **\$1.2 billion** for the Iron Beam defense system to counter short-range rockets and mortar threats;
 - **\$3.5 billion** for the procurement of advanced weapons systems, defense articles, and defense services through the Foreign Military Financing Program; and
 - **\$1 billion** to enhance production and development of artillery and critical munitions.
- Ensures our support for Israel does not compromise U.S. readiness by providing:
 - **\$4.4 billion** to replenish defense articles and defense services provided to Israel; and
 - **\$3.3 billion** for current U.S. military operations in the region in response to the October 7th attack.

U.S. Personnel and Citizen Support

- Provides \$200 million for the protection of U.S. personnel and evacuations of U.S. citizens, including:
 - **\$150 million** for enhanced embassy security and protection for U.S. personnel; and
 - **\$50 million** for emergency evacuations of American citizens in the region as a result of the conflict.
